20th September, 1996

Professor Michael Redhead FBA  
Department of History and Philosophy of Science  
University of Cambridge  
Free School Lane  
Cambridge  
CB2 3RH

Dear Professor Redhead,

Sir Michael has asked me to thank you for your letter of 18th September and for the kind invitation to address the Sigma Club on Tuesday 12th November.

Unfortunately, Sir Michael is very busy this term as he is organising a programme at the Newton Institute. He would be grateful if he could postpone it until later in the year.

Yours sincerely,

Miss Valetta Stallabrass  
Asst. to Master's Secretary
